

**Remarks**

In the Ex parte Quayle action mailed September 8, 2004, the Examiner maintained the restriction requirement. However, the Examiner allowed claims 1 and 46 and, therefore, rejoined claims previously subject to the restriction requirement. The Examiner maintained the requirement, and did not rejoin, claims 91-94. Applicant has herein cancelled claims 91-94.

The Examiner required amendment of the Abstract. The Abstract has been amended accordingly.

This is intended to be a complete response to the Office action mailed September 8, 2004.

Respectfully Submitted,
